

Murder International Presents

The 007 CLUB

Welcome to an exciting evening of **MURDER** and **INTRIGUE** provided by **MURDER INTERNATIONAL**

This evening is the Annual Dinner of the 007 Club. The Club was formed ten years ago by [Martin Hodge](#) who is the Chairman and founder. [Martin](#) will be here along with his wife and Club member [Susan](#). The Club involves itself in anything to do with fictional spying 007 style and members often go on field trips to various locations where 007 films were shot. Some members specialise in inventing useful gadgets for spying. The Club even boasts that it has an Ex-Bond Girl as a member.

Who is the late arrival?
What is the dark secret held by somebody?
Who is Secret Service trained?

Tristran da Counha the Club's Master of Espionage will be here tonight, as no doubt will many of the other club members. **Tristan** has organised a competition. **Invent a code name for yourself.** Simply jot down your answer on the form provided by us, as a prize will be awarded for the funniest or cleverest answer.

Eunice Henderson the Club's Secretary has suggested that you might want to arrive dressed for the occasion. So you might want to turn up ready for a mission or even wear something elegant. There might be a prize for the best turnout. Don't go to the trouble of hiring costumes, just see what you can do with what's already in your wardrobe.

Don't worry, we realise that some of you might want to spend the night in a much quieter way. We will be in reception at 7:30pm, so if you're late you might miss some very interesting revelations.
