

Murder International Presents

The Blessings of Dunton Abbas

Welcome to an evening of **MURDER** and
INTRIGUE provided by
MURDER INTERNATIONAL

Tonight is the annual Blessings of the village of Dunton Abbas. The villagers hold the blessing each year at the Grange which has been the home of the Hazelwood family for generations.

Sir Norman Hazelwood is head of the village. The dinner tonight is for two reasons. First to celebrate the **NO WITCHES**

declaration given to the village in 1645 by the Witch Finder General and the second is to bless the crops.

Delilah Hearn, The High Lady of the village has suggested that you might like to design a new emblem to be worn at the meetings. Simply jot down your drawing on the paper provided by us and **Delilah** has promised that the best idea will win a prize.

**Why is Arabella so angry?
What has the Doctor got to do with
anything?**

We find it adds to your enjoyment if you become fully involved in the theme by imagining that you are one of the villagers. But if you prefer to sit back and relax please feel free to do so and enjoy the evening. If you arrive after 7:30 you might not find out.
