

MURDER INTERNATIONAL PRESENTS

CENTRE COURT

Welcome to an evening of **MURDER** and **INTRIGUE** provided by
MURDER INTERNATIONAL

This evening we are celebrating former tennis star **Alison Runcorn's** selection as leading lady in the blockbuster movie *Strawberries and Cream*. **Debora, Alison's** mother will be here tonight as will a host of other guests.

Who is the mysterious man?

Gino, fashion designer to the stars will also be here tonight, so if you want to catch up on the latest fashion tips I'm sure he will be more than ready to oblige.

Becky Thompson, Alison's PA has suggested that you may like to enter a competition to choose an alternative to strawberries and cream at Wimbledon. She has promised to give a small prize for the idea which is the most interesting or amusing. So jot down your ideas on the paper provided as you could win a prize.

We find it adds to your enjoyment if you become fully involved in the theme and imagine you are one of **Alison's** fans attending tonight's dinner. Or you could be in the movie industry. Or if you prefer to enjoy the evening in a less dramatic way just sit back and relax. The choice is yours.

If you arrive at the hotel after 7:30, the play will already be underway and you may miss some very interesting revelations.
