

MURDER INTERNATIONAL PRESENTS

👁 STANTON PRIORS CROP CIRCLE CLUB 👁

Welcome to an exciting evening of
MURDER and **INTRIGUE** provided by
MURDER INTERNATIONAL

This evening is the General Meeting of the Stanton priors Crop Circle Club. The club was formed some years ago when a UFO was seen hovering over a corn field. Just after that event, crop circles began to appear. Each year the crop circles have re-appeared, although no further UFOs have been sighted.

In an effort to understand the phenomena some of the villagers formed a club. However there are some unanswered questions. Such as, who is the mysterious **Person in Black**? Just what is **Fiona Kerr** always going on about? Are the rumours true that an object has been found in one of the crop circles?

Ray Long the club's chairman will be here tonight along with his wife **Janice**. **Ray** will be your host for

the evening. We do hope that you will let yourself go and become involved in the evening, as it is more fun that way.

If you believe that there really was an object left behind by a UFO, you may want to think on how it may look, as **Alistair Ward**, one of the club members has suggested that we hold a competition about the object this evening.

Karen Toynbee, the club's social secretary, has suggested that you might want to arrive dressed for the occasion. So you might want to turn up as an alien from a far galaxy or even a Trekie, there might be a prize for the best turnout.

Don't worry, we realise that some of you might want to spend the night in a much quieter way. We will be in reception at 7:30pm, so if you're late you might miss some very interesting revelations.
