The further adventures  
of  
Farriers End Ghost Hunters Club  
HAUNTED

Welcome to an exciting evening of **MURDER** and **INTRIGUE** provided by  
**MURDER INTERNATIONAL**

Tonight is the pre ghost hunt dinner of the Ghost Hunters Club. Mike Taylor the club's chairman will be your host. Mike and his team are international consultants in the paranormal investigations world. They arrange field trips to haunted houses and locations throughout the year. The ghosts of One Handed Boughton and Lady Arominter haunt the hall along with many others. Vera has organised a competition. Whose ghost would you like to see? And why?

Things might not go bump in the night as they are expected to.

Is there a family rivalry?

Is the ghost of Edward the Naughty playing tricks again?

Anita Parker the clubs social secretary has suggested that you could turn up dressed for the occasion. So you might want to come as a ghost or ghoul or whatever takes your fancy.

If you prefer to enjoy the evening in a less dramatic way, just sit back and relax.

If you arrive after 7:30, the play will be underway and you will miss some interesting revelations.

**REMEMBER GHOSTS ARE REAL: IF YOU SEE SOMETHING OUT OF THE CORNER OF YOUR EYE: THEY ARE THERE**
