

Murder International
Presents

Farriers End Ghost Hunters Club

Welcome to an exciting evening of **MURDER** and **INTRIGUE** provided by
MURDER INTERNATIONAL

Tonight is the Annual Dinner of the Ghost Hunters Club. *Mike Taylor* the club's chairman will be here, along with his wife *Natalie*. Things might not quite go bump in the night as they are expected to. The club was founded by *Mike Taylor* after he had a paranormal experience. *Mike* and his team arrange field trips to haunted houses and locations throughout the year.

Sir Colin Hicks will be here tonight as, no doubt will all the other club members. *Sir Colin* has organised a competition. *Who's ghost would you like to see? And why?* Simply jot down your answer on the paper provided by us, as a prize will be awarded for the funniest or cleverest answer.

Anita Parker, the club's social secretary, has suggested you might want to turn up in fancy dress. So you might want to turn up as a ghost or witch or whatever takes your fancy. Don't go to the trouble of hiring costumes; just see what you can do with a bit of makeup and what's already in your wardrobe.

If you prefer to enjoy the evening in a less dramatic way, just sit back and relax.

If you arrive after 7:30pm, the play will be underway and you may miss some interesting revelations
