

Murder International Presents

Paper Chase

Welcome to an exciting evening of **MURDER**
and **INTRIGUE** provided by **MURDER**
INTERNATIONAL

This evening is the Paper Anniversary of Derek and Chantelle Merchant. The couple met eighteen months ago in Thailand and it has been a whirlwind romance ever since. They have decided to hold their anniversary here at this hotel because this is the very hotel that they were married in.

What is the dark secret held by somebody?

Who would use their own kind?

Who is the mindless desperado?

Do birds of a feather really flock together?

Ron Formby, Chantelle's father will be here tonight, as no doubt will many other family

members. Ron has organised a small competition (Where would you choose as a perfect honeymoon destination and why). Simply jot down your answer on the form provided by us, as a prize will be awarded for the funniest or cleverest answer.

Les, Chantelle's uncle has suggested that you might want to arrive dressed for the occasion. So you might want to turn up wearing something elegant or even oriental holiday clothes. There might be a prize for the best turnout. Don't go to the trouble of hiring costumes; just see what you can do with what's already in your wardrobe.

Don't worry, we realise that some of you might want to spend the night in a much quieter way. We will be in reception at 7:30pm, so if you're late you might miss some very interesting revelations.
