**How much will Sandra give out as bonuses this  
Christmas?  
Who's Who?  
Out of the wood work!**

**Tony Shah** will be here tonight, as no doubt will many of the other company employees. **Tony** has organised a competition. Invent a perfume name that you would recommend for your worst enemy. Simply jot down your answer on the form provided by us.

**Potty Tamsin Harris**, one of the sales team has suggested that you might want to arrive dressed for the occasion. So you might want to turn up ready for a Christmas celebration. Don't go to the trouble of hiring costumes; just see what you can do with what's already in your wardrobe.

Don't worry, we realise that some of you might want to spend the night in a much quieter way. We will be in reception at 7:30pm, so if you're late you might miss some very interesting revelations.
