The Coven

Welcome to an exciting evening of **MURDER**
and **INTRIGUE** provided by
MURDER INTERNATIONAL

This evening's gathering is to celebrate the birth of a new Coven. The Coven of Fire and Light. The founder and High Priestess of the Coven is **Mistress Lilith** and she commands obedience from her flock. IS the Coven dark and sinister OR one of healing and herb lore?

Why did the members of this Coven split up from Wiccan Coven; The Wheel of Hearn?

What is the dark secret?

Who is the wolf in sheep's clothing?

Miriam Goldstein, the High Priestess's aide will be here tonight, as no doubt will many of the other Coven members. **Miriam** has organised a competition. What famous person would you like to put a spell on and why? Simply jot down your answer on the form provided by us, as a prize will be awarded for the funniest or cleverest answer.

Mistress Lilith has suggested that you might want to arrive dressed for the occasion. So dig out those Witches and Warlock outfits and join the Coven.

Don't worry, we realise that some of you might want to spend the night in a much quieter way. We will be in reception at 7:30pm, so if you're late you might miss some very interesting revelations.
