

MURDER INTERNATIONAL PRESENTS

VALENTINO'S

Welcome to an evening of **MURDER** and **INTRIGUE** provided by
MURDER INTERNATIONAL

The year is 1922. It is one year to the day that **Valentino's Club** opened. Tonight is the club's first of many Annual Dinners. **Bunny Bostock** the club's owner will be here tonight along with her friend **Lofty**. **Valentino's** is the place to be seen in and the club members boast that **Valentino's** puts the **ROAR** into **The Roaring Twenties**.

The Hon Raymond Lent along with other club members are attending tonight's dinner. **Raymond** has organised a competition and the best will win a small prize (if you owned a Night Club what name would you give it?) Simply jot down your answer on the paper provided by us and we'll take it from there.

Baroness Bernard, The club's financial sponsor has suggested that you might want to turn up in 1920s style clothes. Don't go to the trouble of hiring costumes and looking like Burlington Bertie or Champagne Charlie, just see what you can do with a bit of makeup and what's in your wardrobe.

If you prefer to enjoy your evening in a less dramatic way, just sit back and relax. We can promise you an excellent evening of entertainment.

If you arrive after 7:30 the play will already be underway and you may miss some very interesting revelations.
